Chief of Base, Salsburg

Grallspice 1 Finances

Reference: a. DER 28077

1. In answer to paragraph 1 of reference a, the Mission Finance Office informed SOB that deposits to Grallspice 1's escrow account were to be made by TA through the Mission Finance Office. This procedure was outlined in VOB/2316, a photo copy of which is attached. Therefore in the future, SOB will make deposits to Grallspice 1's escrow account according to paragraphs 1 and 2 of VOB/2318. Reference b indicates that \$200 have already been TAd to Headquarters and since then SOB has requested Mission Finance Office to TA an additional \$200 to Grallspice 1's escrow account. This \$400, therefore, represents the monthly \$100 payments for the period June through September 1953 inclusive.
2. Concerning the dating of the contract, we must report that through our own inadvertence, the contract was dated 15 September 1953 instead of 1 June 1953. Would you please, therefore, change the effective date of the contract to read 1 June 1953. The date of 15 September was not intended to be the effective date of the contract but was merely the date when the contract was typed.
3. Concerning paragraph 3 and 4 of reference a we wish to suggest that the contract remain as was forwarded in EASA-2118. Since it is expected that Grallspice 1 will emigrate in the near future, we do not feel it necessarily propitious to draw up a new contract especially since the items of annual leave and duty travel do not particularly pertain to Grallspice 1's case. We would like to propose, therefore, that the contract remain as was originally forwarded with the suggestion that Headquarters draw up a new contract for Grallspice 1's signature and approval upon his arrival in the States. This new contract then, of course, could be designed to suit Grallspice 1's future employment with WMAF. Since Grallspice 1 signed the contract we feel that he agrees fully to all conditions therein.
